MASTER CHEF

#1

You need for sure that you aren't eating.
Geez, yes I'm not eating!
I really wonder if there's some trick I can cook as good as you.
-Ing in!
I'll be digg-
Ptoo.

T/N: There's a pun there. It won't translate very well. The same 'word' can mean different things depending on the Chinese character behind it. In the first instance, it means 'beauty taste', or more specifically 'delicious'

Find us on potatorealm.wordpress.com
You've fooled me. I've become lost in space
You should have given me a taste of yours from the start, idiot
